

This Valentine's Day...

The Oregon Developmental Disabilities Coalition and the Grassroots Oregon "GO!" Project also wish you a Happy Valentine's Day!

www.oregonddcoalition.org

...we would LOVE your support!

We believe that Oregonians who experience Intellectual and/or Developmental Disability have the fundamental right to receive the support services needed to protect their health, safety and independence.

With your support, we can save these critical services from the threat of budget cuts and save jobs!
